Valois: I am fine with being the contact for these letters, but am copying Sarah in case she has any input.

I've attached your letter with a few suggested revisions.

Douglas

Hi Douglas,

Attached is the draft letter to the Rosebud Sioux Tribe inviting them to schedule a consultation meeting with us and designate a representative for NHPA Section 106 consultation. I used the Nov 2015 as the model for this letter. You were the contact for the Nov 2015 letter. I just wanted to check if you are still interested in being the contact for this follow-up letter that will be sent to:

- 1) Rosebud Sioux Tribe
- 2) Crow Creek Sioux Tribe
- 3) Oglala Sioux Tribe (this letter will have slightly different wording since we are asking for another consultation meeting)
- 4) Cheyenne River Sioux Tribe (this letter will refer to the request for consultation we received Dec 23, 2015)
- 5) Ponca Sioux Tribe

Or would you like me to be the contact for this letter.

This version includes comments received from Lucita, Mike Boydston & Brian Joffe, who is taking over for Kimberly Varilek for the Dewey-Burdock consultation process. Please let me know if you have any comments. I am preparing the rest of the letters today for Carolyn's review.

Thanks!

*Valois*
